Class News

We have been hard at work in Room 3! We have created a digital story to go with our Social Studies lessons on **Rules at School**. I have posted a link to it on our class website. We have also made a digital story with all of our individual Snuggles stories. It is titled **Snuggles'**

Adventures. The students have had a great time reading it in class. We printed three paper copies, 2 for our class library and one that will come home with your student for the night. Please see that the book is taken good care of and return it the very next day so another student can take it home.

Reading - Reading instruction is moving along a quite a pace. Most students are reading from books by now. A few students need extra work on learning the sight words. Remember that your student should be engaged in reading at least 15 - 20 minutes every night.

Library - Our first trip to the public library will be Monday, December 10 after lunch. Your child must have returned the permission slip for walking trips in order to attend. I could also use at least one parent to walk with us to make it easier to cross the streets. Please let me know if you are available. We will leave the school at 12:30 p.m.

Math- We are finishing up our first unit on understanding addition and subtraction. There will be a Chapter test on Thursday. Please go over the assignments your child has brought home to help him prepare for the test. I will share the results with you at conferences on Friday.

Dismissal Procedures
Students are dismissed at 4:10 every day. There must be someone here at that time to pick up your child. Due to committee obligations, I am only able to stand with students for 5 minutes after dismissal time. After that, they will be escorted to the elementary office.

Remember to save and send in your Box Tops for Education. Each one earns us a dime!

In order to receive the books before the Christmas Break, book orders are due by Wed., December 12.
