Class News

Wow! The time is flying. Next week is Thanksgiving already and then December! The weather is getting colder but we will still be going outside for recess on most days. Please make sure your child comes to school with the proper cold weather clothing. If you need assistance, please let me know. Also, boots are NOT to be worn in school. Students must be in uniform shoes. If wearing boots to school, please bring a pair of school shoes to change in to.

Report cards went home last Friday. If for some reason yours did not make it home, let me know.

Conferences are in December but if you would like to discuss the marks sooner, arrange to meet me after school.

Reading - We are really making progress in this area. I have attached a book mark that will assist your child in choosing the "just right" books for their own reading

level. Students should be engaged in reading at least 15 - 20 minutes every night.

Library - I am arranging for our class to walk to the Sherwood Forest branch of Detroit Public Library once every two weeks. In order to check out a book, each student must have a current library card. Please complete the attached form, *sign the back*, and return it to me. I will get take them to the library to get the cards made. Also, I need to have a valid permission slip for our walking trips. This is also attached for you to complete and return.

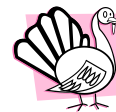

Math- We have been busy learning about what it means when we add and subtract and how to know which operation is needed for a word problem. Now we are beginning to work on remembering our math facts. I have a music cd that has addition and subtraction facts we are listening to. If you would like me to make a copy for your home, send me a blank cd and I will record you one.

We are collecting Box Tops for Education to raise money for our Student of the Month program. Look for these labels on products you buy and send them in to school. Each one is worth 10 cents.

I have extended the deadline for book orders until Monday, November 19th.
